

INSTRUCTIONS

1. ONLY use **BLU FUEL** in your **BLU STOVE**.
2. When using your **BLU STOVE** place it on flat surface and out of reach of children.
3. Lift shutoff cap from the burner.

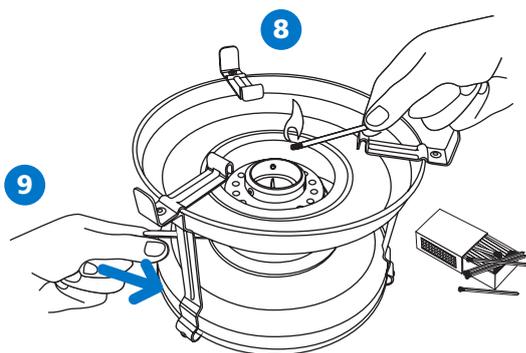

4. On the inside of the shutoff cap is a punch pin.
5. Insert **BLU FUEL** bottle upside down into the centre of the stove. Press down to puncture the bottle, then twist.
6. Place the shutoff cap over the base of the bottle. Press down to puncture allowing the **BLU FUEL** to flow into the stove.
7. Wait until the bottle is empty before removing. Discard the empty bottle out of reach of children.

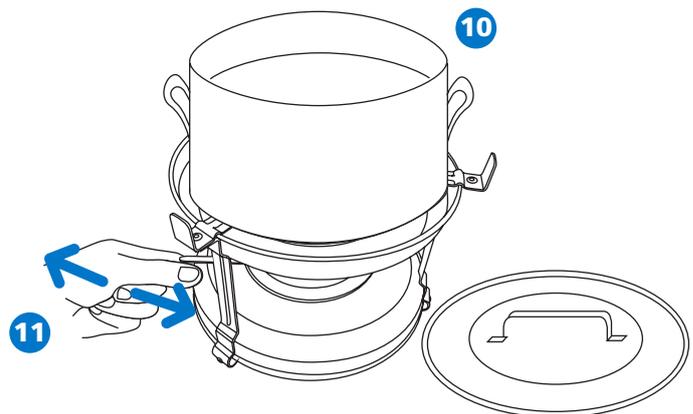

IMPORTANT

- Use ONE bottle only, when filling your stove.
- Only refill your stove when the flame has extinguished and FUEL is finished.

- Never try and fill your stove while it is burning.
- DO NOT USE PARAFFIN, it will not work in the stove.
- Use ONLY BLU FUEL.

8. To light the stove place the burning match at the centre of the burner.
9. You can adjust the flame height and heat by moving the regulator handle left or right to open or close the holes.

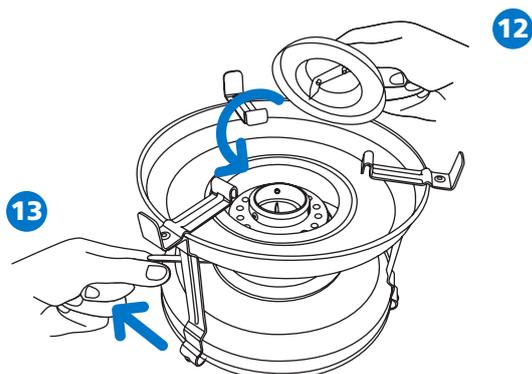

10. Place the pot or pan on the stove for cooking
11. Once cooking has begun you can reduce the flame height and heat to a lower setting to conserve fuel and have a longer cooking time.

COOKING TIPS

- Stove must be used once before cooking to burn clean protective oils from the manufacture
- Cook with a lid on your pot, your food will cook faster.

- DO NOT cook in a draft or wind, this will slow down the cooking process.

12. When finished, close the holes.
13. Place the cutoff cap over the flame to turn the stove off. Wait for the stove to cool down before storing the stove safely.

DANGER

- Only use **BLU FUEL** in your **BLU STOVE**. Your stove will not work with any other fuel except for **BLU FUEL**, if you accidentally use another fuel, your stove will not be re-usable
- In the unlikely event of fire, kill the flames with water.
- Never let water get into the fuel tank through the fuel inlet.

PLEASE NOTE

- USE IN A WELL VENTILATED AREA
- WASH HANDS AFTER HANDLING.
- DO NOT DRINK / CONSUME, WILL CAUSE BLINDNESS OR DEATH
- KEEP AWAY FROM HEAT/SPARKS/ OPEN FLAME OR HOT SURFACE. NO SMOKING

- HIGHLY FLAMMABLE LIQUID AND VAPOUR
- TOXIC IF SWALLOWED
- TOXIC IF INHALED
- TOXIC IN CONTACT WITH SKIN
- CAUSES DAMAGE TO ORGANS

LIMITED WARRANTY

Afro-Industries (Pty) Ltd. (Afro-Industries) warrants, to the original purchaser, that this **BLU STOVE** ("the Stove" or "the Product") will be free of defects in material and workmanship for a period of 12 MONTHS from the date of purchase on the terms and conditions set forth herein.

Afro-Industries will repair or replace, at its sole option, any part of or the complete **BLU STOVE** found to be defective. The customer must, at his/her own expense, arrange to deliver or ship the stove or part to Afro-Industries and arrange for pickup or delivery of the stove or part after the repairs have been made. If upon inspection, the damage is found to be the fault of the manufacturer the repair or replacement will be made. Any **BLU STOVE** or part thereof that is repaired or replaced during the limited warranty period will be warranted for a period to not exceed the remaining term of the original limited warranty. This warranty is not transferable and is extended only to, and is solely for the benefit of, the original purchaser of the **BLU STOVE**. Please retain your dated sales receipt in your records as proof of purchase.

This warranty does not cover the following:

- Damage due to external causes, not attributable to manufacture or material defect.
- Repair or replacements of parts which are subject to normal wear and tear during the warranty period or to parts that may require replacement in connection with normal maintenance.
- Damage due to misuse which is not in conformity with the instructions/manual provided with the purchase of the **BLU STOVE**.
- Damage due to abuse, neglect or the unauthorised modification or repair.
- Damage due to failure to follow product instructions or warnings.
- Damage due to the use of any other fuel besides **BLU FUEL**.
- Damage due to the improper maintenance that is not accordance with the instructions or manual provided with the purchase of the **BLU STOVE**.

In no event shall Afro-Industries be liable for special incidental or consequential damages. All implied warranties, including the implied warranties of merchantability and fitness for a particular purpose, or otherwise, are limited in duration to the length of this written warranty. No oral or other written warranty is enforceable.

Excluding the limited warranty provided above, Afro-Industries, its affiliates and their suppliers, to the maximum extent permitted by law, make no warranties, expressed or implied, and disclaim all warranties, duties and conditions, whether expressed, implied or statutory, with respect to the product, including without limitation any implied warranties of merchantability, against latent defects, fitness for a particular purpose, or correspondence to description.

If you believe that your stove is defective, you should contact Afro-Industries (Pty) Ltd., who will process a warranty claim.

This warranty is given by
Afro-Industries (Pty) Ltd.
PO Box 2381
Saxonwold 2132
South Africa
www.blustove.com

Limitation of remedies: Should a court of competent jurisdiction find the limited warranty set forth above breached, Afro-Industries' only obligation will be to, at its option, either repair or replace the product. Should the aforementioned remedy fail of its essential purpose, Afro-Industries will, in exchange for return of the product, refund the owner's original purchase price. The foregoing remedy is the sole and exclusive remedy for the purchaser against Afro-Industries, its affiliates and their suppliers regardless of legal theory.

DISCLAIMER

The purchaser agrees that Afro-Industries (Pty) Ltd. ("Afro-Industries"), its directors and employees, affiliates and their suppliers will not be liable for any consequential and/or incidental damages arising from any cause associated with the products purchased from Afro-Industries. Excluding the limited warranty provided above, Afro-Industries, its affiliates and their suppliers, to the maximum extent permitted by law, make no warranties, expressed or implied, and disclaim all warranties, duties and conditions, whether expressed, implied or statutory, with respect to the product, including without limitation any implied warranties of merchantability, against latent defects, fitness for a particular purpose, or correspondence to description.

The purchaser acknowledges that when the **BLU STOVE** is in use, it will be hot to the touch, and that serious injury and property damage can occur. Do not leave the stove unattended and keep children and pets away from the hot stove. It is solely the user's responsibility to ensure the stove and its fittings are used correctly and located in a safe area, avoiding the unit becoming a fire hazard.

Always completely follow safety, use, operation and maintenance instructions for the Stove or any other **BLU** products.

The purchaser indemnifies and agrees that Afro-Industries will not be held liable for:

- Damage due to external causes, not attributable to manufacture or material defect.
- Damage due to misuse which is not in conformity with the instructions/manual provided with the purchase of the **BLU STOVE**.
- Damage due to abuse, neglect or the unauthorised modification or repair.
- Damage due to failure to follow product instructions or warnings.
- Damage due to the use of any other fuel besides **BLU FUEL**.
- Damage due to the improper maintenance that is not in accordance with the instructions or manual provided with the purchase of the **BLU STOVE**.

The purchaser furthermore agrees that in purchasing the product, he/she indemnifies Afro-Industries, its affiliates and suppliers of all litigation that may arise in the use of the stove and its accessories.

**ONLY USE BLU FUEL IN YOUR BLU STOVE. DO NOT USE PARAFFIN OR OTHER FUELS. IT WILL NOT WORK AND WILL RUIN THE STOVE.
IN THE UNLIKELY EVENT OF FIRE, KILL THE FLAMES WITH WATER. NEVER LET WATER
GET INTO THE FUEL TANK THROUGH THE FUEL INLET. PLEASE NOTE THAT BLU FUEL IS FLAMMABLE AND POISONOUS!
NEVER DRINK THE FUEL! KEEP OUT OF REACH OF CHILDREN! STORE YOUR BLU FUEL BOTTLE IN A COOL PLACE!**
